RE: case 1:23-cv-00749-RJJ-SJB

The case information sent to the District court dated July 14th was received and notice of receipt states that it was filed on [July 13th, 2023] and Plaintiff had 14 days to file affidavit for application to proceed without prepayment of fees or costs. The information was received by Plaintiff on [July 29, 2023] and Plaintiff still wants to proceed with case. Because of the delay the opportunity for service of process upon Defendants has become time sensitive and while Plaintiff is including affidavit of waiver, Plaintiff has sent a payment despite financial hardship to secure case and would request an expedited response and financial relief. Included are all the names and addresses of Defendants to assist in that expedited request.

Sincerely,

Kirk Jensen
